“ Hi April your mom was like a big sister to me we would come to Southwest, Detroit and stay with you guys she would let us get away with alot of things. I know how it feels to lost a parent AS I SAID WITH MY FATHER "As the elements of God shine see Her. Sun shine bright see Her. When the moon is full see Her. When the star's twinkle see Her TILL YOU SEE HER AGAIN, and you will. My prayers are with you, love you.##imported-begin##tracyharshaw williams and family##imported-end##

“ *Eric & April: I was so sorry to hear of your mother's passing. If I had known she was ill, I would have visited her to encourage and comfort her. I really liked Dorothy growing up. I found her to be a real straight forward person which I appreciated. A few years ago, I last ran into Dorothy at a market in Ecorse on Southfield and we chatted. Eric and April visit the church and see how God's favor rest on us. Love ya, Angie. Need anything call me at 313-598-6712.##imported-begin##Mildred Angela Kellam##imported-end##*
