“ I just found out about this new age visitation. I just left my granny and now im here. Im so saddend about you leaving me. I dont want to sound selfish but thats how i feel. Idk if you sisters have this passcode to this but i always hold back how I feel. I miss you and apart of me died when you did. Last year was so hard for me, Im scared to loose anybody else. I hold up fine in the spot light, but Im crumbling under the dem light. I need you but i feel selfish for wanting that. This such a new feeling. All I know is that im missing you so very much. you had so much wisdom within you. even me learning the bible right now i need you to explain some things to me. It was a joke about Briance but I just wanna ask the Lord "Can You Come Back" 2011 I fell like I felt my first real pain. Lovers come and go but he people you love and loved you back remain the same. I will always think of you and my Madea. Im praying that you Rest In Peace. In my Prayers I will tell you everything else.##imported-begin##Shantell Hawthorne##imported-end##

“ The grief experienced by families ad friends in connection with death is sorrowful so I would like to offer my sympathy and condolence for Elisia by sharing this information with that God's has promised in the book of John 5:28,29: "The hour is coming in which all those in the menorial tombs [the grave] will hear his vice [Jesus] and come out." Although I didn't know her personally, I can certainly symathize with you.##imported-begin##Deborah Gipson##imported-end##

“ To The DeGreaffenried Family:

Jesus said unto her, I am the resurrection, and the life: he that believeth in me, though he were dead, yet shall he live: And whosoever liveth and believeth in me shall never die. Believest thou this? St. John 11:25-26.

Joy will come in the morning!

My family will be praying for your family##imported-begin##Phyllis Murphy & Family ##imported-end##

“ Words could never express the depth of pain I'm feeling right now, but I will try.

Elisia, I love you. I'm so sorry that sin has so rotted and infested this world so, that we have to continuously lose, lose, lose. Senseless, tragic, and disgusting. I apologize for sinner that snatched your life from you. I am so glad that we had several times in the Lord together. I promise to do everything by the power of God, to see to it that your children, your blessings, are comforted. No worries, vengeance is the Lords'.##imported-begin##Sharon Josey##imported-end##

“ *The bible gives such comforting hope of seeing dear Elisia again in the book of Acts 24:15. Thinking about this hope of a resurrection is the greatest comfort.##imported-begin##Ariel##imported-end##*
