“ *Nennie Esther-*

It's so hard to believe you are gone, but my heart rejoices, because I know that you're with our Father, reveling in His presence. You will be missed so much- you were such a rock to our family, and we are so thankful that God allowed us to be a part of your life. We will miss you, and we look forward to seeing you again one day.

“ Dear Debbie, Sherry Ann, Lystra, Keitha:

We are so saddened at the passing of your loving mom (and for me Tanty Esther). Although she didn't quite make it to the three score and ten, you had a chance to live as full and happy a life with her as was possible. She passed on in the knowledge that all of you are well and that your love for her and for each other will always be strong. My family and I will keep you in our prayers. We wish you strength, courage and peace in this difficult time.

With love,

Harvey###imported-begin###Harvey Charles & family (Michelle, Hilary, Heidi, Simone, Megan, Amanda)###imported-end###

“ To my always beautiful grandma. It's taking a lot out of me to write this cause I don't want to believe that your gone. We had so many wonderful memories together that I will be sure to never forget...Do u remember us picking peas in your garden that was always so much fun and when I would go to the bank after school and help you and you always had a song in your heart to sing. You had me before I could even talk and I lived my entire life with you and it's gonna be so hard to adjust with you not being here anymore but I know that I will see you again and that you'll be watching over me and keeping me in line something you never hesitated to do. I LOVE U, I MISS U LIKE CRAZY, and can't wait to see you again. LOVE NIKKI :)###imported-begin##Nikki###imported-end##

“ *Esther was a wonderful and caring cousin. Life has not always been easy for her but nothing was ever too much to give to, or to do for, those she loved and cared about. She cared for her family and relatives through good and bad times. Her life was an example of true love, which my brothers and sister were all privileged to share. We share the pain and loss with her children, grand children, brothers and sister. Our greatest pleasure is that she will now rest in peace.*###imported-begin###Eric Charles###imported-end##

“ *Hi Lystra*

In your time of grief my prayers are with you and your family. God Bless

*It will be the little things
that you will remember,
the quiet moments,
the smiles, the laughter.
And although it may seem
hard right now,
it will be the memories
of these little things
that help to push
away the pain
and bring the smiles
back again.*

I can't comprehend just how sad you must feel. For the loss of someone you love. This sorrowful time must still feel unreal and you're looking for strength from above.

I hope, from my heart, that your pain will decrease, that your spirit will gain strength again, and I pray that your faith will create inner peace and that God will send blessings.
