“ *Fadrecia had a smile that could light up a room. Jehovah, the God of all comfort, will give you power beyond what is normal to be able to deal with this terrible loss. You are in my prayers. The bible promises there will be a resurrection. We will be able to see Fadrecia again very soon in the promised new world. John 5:28-29 "all those in the memorial tombs WILL come out". “ I don't know what to say. I cant believe you are not here with me. Calling me at work or sending me emails asking how my day is going. I've never felt hurt like this and I wish it would go away. It has only been a week and two days and it seems like forever. All I need is one second to say see you later, I love you and you mean the world to me. I don't know what the future holds but I know it wont be the same without you. I love you more than I love myself. Thank you for being such a great woman and challenging me to be greater than I ever imagined. It is because of you that I am the person I am today.###imported-begin##Tanesha Flowers##imported-end##
