“ To the family of Fonda Caston:

I am sorry to hear of the loss of Fonda. Even though I did not know her personally, she was a young woman who should have many more years ahead of her. This is not what Jehovah God intended for humans. The bible promises everlasting life. Jehovah always tells the truth, he does not lie. Fonda can rest now. We must continue to struggle to survive this wicked world, with the crime, violence, war, sickness and death. God did not intend for us to live this way. The bible gives us much hope and comfort ". 2 Corinthian 1:3-4. Jehovah is the, "God of all comfort" and HE helps us understand how He and Jesus Christ feel about death. Death is an enemy that pursues us all. None of us can out run it. Jehovah is far more powerful than death. Jehovah is our rescuer who has already shown (by Jesus resurrection) that he can defeat this enemy. 1 Corinthians 15:26 (As the last enemy, death is to be brought to nothing). Isaiah 26:19 "your dead ones will live ...they will rise up". We WILL be reunited with our loved ones by means of a resurrection on a paradise earth in peace and happiness in the very near future. John 5:28-29, Jesus said "all those in the memorial tombs will come out" and there will be "a resurrection of righteous and unrighteous". “ I never met you in life but I prayed for you and your family. I know you were a good person because I knew Michael and he turned out great. Your granddaughter is beautiful and she will grow up with your character and I know you'll look down on her and guide her through life. I never met you on Earth but I hope to meet you when I meet my maker in Heaven.
