“ *Hello,
You may not know me, or have seen me onece or twice. But I just want to tell you something, I have been married for 20 years. I say and meet my wife at your mothers birthday party in the back yard. If it wasn't for her having that party I would have never met my wife had 3 lovely daughters. All because of your Mom.
God bless

“ To the family: It was an honor to know and to love Gaylette. We were friends since our first semester of high school, We became our childrens God mothers that's how close we were, Over the years and through many storms we continued to love each other, I will miss her dearly. I said my goodbyes at the hospital during the many prayers and long talks that we had. She is now at peace and we'll meet again in heaven.My prayers are now for your strength during this time. Love you##imported-begin##Dara##imported-end##
