“ *I am so very sorry to read of your loss. When we suffer a loss we often feel helpless and alone, I know I did. What I found comforting was encouraging words from Jehovah found at Revelation 21: 3, 4.##imported-begin##sf##imported-end##*

“ *Clyde and Beth, Oh the grief that hit my heart when I heard about Ineishas Passing. I understand now the meaning of "Earth has no sorrow that Heaven can't heal". I am so deeply sorry to learn of the loss of your beautiful daughter and granddaughter. I communicated with Neisha regularly on facebook and I will miss her love of life. If there is anything you need please don't hesitate to ask! I Love you and you are in my prayers that God comforts you during this difficult time.##imported-begin##Angela Thompson##imported-end##*

“ I'm sending my sincere condolences to each of you. We have all experienced the loss of a loved one to the enemy death, and the emotional pain is all the same. Our Heavenly Father Jehovah feels the pain that you are going through. He didn't intend for us to live a few years and die, Paradise is what he wanted for us. He holds out a promise that one day soon he will wipe all tears of sorrow from our eyes forever and death will be no more (Revelation 21:3-5) Additionally, He promises that all those in the memorial tombs (graves) will hear His voice and come out. Proverbs 3:5-7; Isaiah 26:19 & John 5:28-29##imported-begin##Liz##imported-end##

“ Goodbye

by Tammy Marie Denué

*I always took for granted,
what I thought I'd never lose.*

*Because I never thought it would happen,
until I heard the dreaded news.*

*They say you were chosen for his garden,
His precious hand picked bouquet.*

*"God really needed her,
That's why she couldn't stay."*

*Saying goodbye is never easy,
It's the hardest thing to do.*

*But what hurts me even more
Is not the chance to say it to you.*

*So today, Jesus, as you are listening
in your home above;*

*Would you go and find my cousin Neisha,
And give her all my love!*

*Love You Supora##imported-begin##Supora Taylor##imported-
