“ *Along with fond memories of your loved one, may you also take comfort in the Bible's promise of the resurrection. Acts. 24:15 says " there will be a resurrection of both the righteous and the unrighteous".*

“ *To the family of Janice,*

*My deepest sympathy to each of you. While I had only known Janice for 4-years, I found her to be a helpful & caring person. Many times we had great conversations and both had a dream to attend law school someday.*

*May your great times with her help you through this time.##imported-begin##Kathy Laird##imported-end##*

“ *Janice was such an inspiration to me @ Goodwill Industries. She was a tough and polished business professional. She had the "What You See Is What You Get" philosophy.*

*I am thankful to God because Janice was all ears & smiles when my son was born. She was also spiritually mature enough to talk about her experiences with past deaths in her family.*

*As I remember Janice, I will remember why Christ made the ultimate sacrifice @ Calvary.*

*May the family find Peace in what Christ has done.##imported-begin##George Holliday##imported-end##*

“ I have been able to work with Janice for almost 5 years on the same floor. I assisted her with the employee picnic and the employee newsletter for Goodwill. I enjoyed talking with her about her parents, godchildren, and nieces and nephews. Her favorite story was about her mom and dad's anniversary party. When she spoke of her family, her eyes would light up so bright! I am saddened to hear of her passing. My heart goes out to the family. God Bless!##imported-begin##Tamika Gardner##imported-end##

“ To Janice's family; My heartfelt condolences to all of you in this time of great sorrow. I feel the world around all of us is a little less now, as a result of her passing. I have only known Janice for four years, but she was unquestionably the nicest person I have ever met. Janice was always willing to listen and offer counsel & assistance, no matter the boundary of any problem. And...when Janice really laughed, the world became a much better place in which to live! I consider myself very fortunate to have known her...I will miss her a great deal.##imported-begin##Lindsay Chalmers##imported-end##
