“ Dear Grandma

I have over 10 years of memories that doesn't seem fair that I try to put into a couple of words..So I thought about how I could sum up all of the memories, that I had the honor to share with you. (I remember you were never the one for long drawn out anything..say what you gotta say and go on. So I will try not be brief LOL!) this is what I will forever remember with love..

#1. Don't let anyone tell you one thing if you have the smallest thought that its something else..Be satisfied with what you believe and

#2' Do what you said you were going to do.

I will tell the "REDGALS" the stories and adventures about the original REDGAL!!

Love

“ May the family find the consolation in the "power beyond what is normal," to go from day to the next. "May be God's and not that out of ourselves."(2 Corinthians 4:7). As you continue to cherish the beautiful memories of Jenie, rest assure she is in God's memory.##imported-begin##Deborah Gipson##imported-end##
