“ *I am so very sorry to read of your loss. When we suffer a loss we often feel helpless and alone, I know I did. What I found comforting was encouraging words from Jehovah found at Revelation 21: 3, 4. “ *To DK, thank God for Mothers! If we are truly thankful for our Mothers, then we should act like we are thankful. One of the best ways to express our appreciation FOR our mothers is to show appreciation TO our Mothers. Be blessed and know you are loved always.##imported-begin##Bertha (Nan) Sexton-Hilburn##imported-end##*

“ You were always the apple of your mother's eye. (Aunt Rosie)
Though you lived miles away, the love and concern you had for your family in Texas was near to stay. Your melodic voice and oh so cool demeanor will be missed. Although I can't be there I hope all my cousins know that they will be in my thoughts and prayers. To my cousin D.K. stay strong and remember only the love.###imported-begin##RITA ROSEZALL###imported-end##

“ Aunt Joyce beautiful smile, soft spoken and quiet demeanor will always stay with me. Her dedication and love for her family was always giving of herself and ever present. Her face glowed as she talked of her children. As a child I was blessed to receive her love and concern as I visited with my cousins thru the summer and thru out the year.

May the Page Family know that Aunt Joyce presence is remembered and felt across the miles..in my heart.###imported-begin##Crit###imported-end##

“ May the hope of Psalms 34:18 bring the Page family much comfort during this time, God’s word assures us that he sees the difficulties and hard times that we go through. He will help you and your family in this time of sorrow. We can also look forward to a time when death will be no more (Revelation 21: 3, 4). Taking in accurate knowledge of the living God Jehovah assures us better times ahead.##imported-begin##Ariel##imported-end##

“ How do I describe the hole in my heart due to your absence? 44 years of unconditional love and friendship. You truly were my very best friend. God fashioned you just so that you can mother the six of us, knowing that we are all unique individuals. Your love was undeniable, your smile was the brightest I've ever seen and your heart was the sweetest and most caring I've ever known. I've lived the last 12 1/2 years with you, as your daughter, protector, nurse, provider, and mostly friend. I love you soooo much Momma and there simply are no words that can capture the essence of you. I feel you throughout the house we shared. Hear your voice on the phone talking to one of the "Aunties", laughing and joking. I see the low light, illuminating from your bedroom at 4am or 5am, as you sit quietly on the side of the bed, bible in hand and whispering your prayers to the Lord. I garnered so much from you these past years. I can't begin to detail it all but I will say this--if I can measure up to be a mere fraction of the woman that you were, I will have achieved my life's phoenix. I love you Momma. Thank you for helping me raise my baby girl for 8 1/2 years and I know you will continue to do so through your ever present spirit in our hearts and minds.##imported-begin##Maud A. “ *To Debra & Jocelyn - I pray you will be comforted by friend, family
and even strangers, during this difficult time. There is nothing like a
mothers love. My humble thoughts and prayers are extended to
you. It's hard to keep our heads up when our hearts are so heavy.
Look at old photos and videos of you and your mom. Those
memories will hurt at first, but they will also help your hearts to heal.
Our Grand Creator comforts us during this difficult time. (Isaiah
41:10 & 13) For HE says, "Do not be afraid, for I am with you. Do
not gaze about, for I am your God. I will fortify you. I will really help
you. I will really keep fast hold of you with my right hand of
righteousness.' For I am your God, I am grasping your right hand,
the One saying to you, Do not be afraid. I myself will help
you.'##imported-begin##Mrs. Malone##imported-end##*

“ “My Granny”

I still remember the very first time I saw you. I was so eager to meet you and all I kept saying was "Mama where is she? Is that her? Is that her?" I recall standing at the airport gate, waiting for a beautiful woman to walk through. When I heard my Mother say.. "That's her,there is your grandmother", I jumped straight into your arms and I never let go. I heard you say over and over "Hi My Missy!"

Thank you Granny for always staying on bended knees and calling on the Most High to do it once again. For Him to heal me from my heart disease, bring back sight to my eye, and to just keep his loving, protecting arms around me as I battled through it all. Granny I know you are still praying because I can still hear you as I sleep.

Just know all the pain and suffering is over and I will be just fine knowing that My Granny is resting in heaven and still praying for my healing! I love you and I miss you .##imported-begin##Jocelyn Ania' Norman##imported-end##

“ To My Mother

In Loving Memory

*God looked around his garden,
And saw an empty space.
Then he looked down here on earth,
And saw your loving face.*

*He put his arms around you,
And lifted you to rest.
His garden must beautiful,
Because he only picks the best.*

*A million times we'll miss you,
A million times we'll cry.
If love could have saved you,
You never would have died*

*In life we loved you dearly,
In death we love you still.
In our hearts you hold a special place,
No one could ever fill.*

*It broke our hearts to loose you,
But you did not go alone,
For part of us went with you,
The day God took you home.*

*Your Daugther, Debra "DK"###imported-begin##Debra Kaye Page
