“ *I can't believe it's been over 14 years since you left us. Many of us (your gurls) talk about you regularly. We miss you so much and pray that you're at peace and enjoying your journey in the heavens. Warren is doing awesome and his Dad has done a phenomenal job jumping in and taking great care of him! We all love you and miss our talks and laughs. Rest on baby! ❤️*

“ *God looked around His garden and He found an empty place, He then looked down upon this earth, and saw your beautiful face. He put His arms around you and lifted you to rest. God's garden must be beautiful because He always takes the best.*

*God blessed us with your presence and I will miss you dearly! My thoughts and prayers are with Warren and your family.##imported-begin##Tanisha Carter##imported-end##*

“ Kay was introduced to our family as a friend, but quickly became like one of our own. She will be greatly missed. We pray that God will have mercy on her soul and cover her son with His blood and he journeys through life. Sincere and deepest condolences to the Johnson family. Look towards the hill from whence comes our help as our help comes from the Lord.##imported-begin##The Taylor Family ##imported-end##
