“ *To the family of Latonya. I was deeply saddened by the news of Latonya death. I am so angry that her life was taken and am still dealing with trying to understand why. I know that God will put nothing on us that we can not handle. Please know that she was a beautiful positive young woman and will be sadly missed by her co-workers at National City Bank.*

*May God keep you and your family at this time and always.##imported-begin##Alanda Donaldson##imported-end##*
