“ I hurts my heart so much that you had to go. I miss talking to you and watching "Shameless" with you. That show had us cracking up. I remember we would rush back home and make our dinner so we could catch the next episode. I really miss the sound of your laugh. I was blessed beyond words to have you as a Mother. Ma, I love you

“ Dang it is sad to see ma gone. Having little sons that she didn't get to meet and play with. I remember all the days where we struggled together singing songs to God, fasting together, and reading the bible together. LaVon was a true encourager who pushed hard to make sure that we stayed in the faith. What an amazing display of Gods power to change her from a regular woman to a beautiful example of a soldier for Christ that wanted nothing but to please him and bless the family. God is good!##imported-begin##David Watson##imported-end##

“ *May the hope of Psalms 34:18 bring the Watson family much comfort during this time, God’s word assures us that he sees the difficulties and hard times that we go through. He will help you and your family in this time of sorrow. We can also look forward to a time when death will be no more (Revelation 21: 3, 4). Taking in accurate knowledge of the living God Jehovah assures us better times ahead.##imported-begin##Ariel##imported-end##*

*Mommy, I really miss you and everything about you. I think of you so many moments throughout the day every day. It still brings me to tears. Sometimes, I catch myself speaking about you like you're still here. When I'm out I constantly glance at my phone when it isn't ringing sometimes thinking you will call, or it'll be you who text me. In my good times of joys and laughter or in my bad in pain and sorrow. I wish I had you here still near. I know where you are is perfect and I'm thankful for all of my memories, dreams, and my life time with you. Twenty~six years to me wasn't enough. But some children pass or there parents before the words Mommy are spoken. So I am still blessed. Ma. our time went so fast. But I rewind our memories, secrets, and your love for me. Know one on this earth loves or cares for me as much as you when you were here. I promise to love you still everyday. I love and miss you so much **WinterKisses***
