“ *Mrs. Kaiser,*

Im sorry to be so late of sending this message but Lehia had a lot of friends in South Carolina that welcomed her in open arms as she was our family. I just wanted to let you know that we are here for you and wont ever leave your side. Lehia was my daughter godmother and if you would like to meet her we will welcome you in open arms like we welcome your daughter.

“ I’m writing because I’m terribly sorry about your loss, Ms. Lehia Lacina Kaisen. I know that nobody knows the pain you are feeling fully but you. God loves Ms. Kaisen very much and you the family. So he doesn’t want anyone to suffer. God promises to bring back Ms. Kasien in the near future. You will be able to greet her and she will be healthy with same personality and everything. The bible reassures us of that. If you have your bible please read (John 5:28, 29) I this promise has left you with encouragement and has made you feel a little better.##imported-begin##Kelynn Salley ##imported-end##

“ To The Family To Lehia Larcina Kaiser: Loss brings much sadness to all who knew and loved her. May the family find comfort in Jesus' resurrection promise at John 5:28 there he says: "The time is coming when all those who are dead and buried will hear his (God) voice and out they will come....." My heartfelt wish is that this message of hope bring the family peace.##imported-begin##Geneva Humphrey McClendon##imported-end##

“ I am so very sorry to read of your loss. When we suffer a loss we often feel helpless and alone, I know I did. What I found comforting was encouraging words from Jehovah found at Revelation 21: 3, 4. “ *May the hope of Psalms 34:18 bring the Kaiser family much comfort during this time, God’s word assures us that he sees the difficulties and hard times that we go through. He will help you and your family in this time of sorrow. We can also look forward to a time when death will be no more (Revelation 21: 3, 4). Taking in accurate knowledge of the living God Jehovah assures us better times ahead.##imported-begin##Ariel##imported-end##*
