“ Marg,

*I know losing mother is one of the most devastating losses to endure. Remember all the great times and sacrifices that you shared with your mom. Your mother was a great, strong, Black woman that did a great job raising you and propping you up for over 50 years. She was truly a blessing to everyone, especially you. Her strength and gentleness are the two things I remember most from meeting her. Although we did not spend a lot of physical time together, through you I experienced your Mom's strength and gentleness over and over again. Thanks for sharing your mom with me. She will always remain with you spiritually. May God bless you and your family, everyone she loved and everyone that loved her. I love you and with lift you up in prayer.##imported-begin##Michelle Stevenson##imported-end##*

“ While Fran and I didn't know Ms. Lena, we did benefit directly from the teaching, the nurture, the love that she poured into her beautiful daughter Margaret. We are in constant memory of Margaret's warm smile and endearing personality. I am sure that these traits are a direct reflection of her mom. Our prayers, love and concerns are extended to each family member.

“ To my second family;

My heart goes to all of you at this great loss in your lives. While I only had the chance to meet Ms. Donathan one time, the few talks that we were able to have enriched my life. She was such a friendly and outgoing lady! It's with great sorrow that I say that she'll be greatly missed, not just by me, but by everyone whose path she crossed. I'm sure that many called her a friend, but, even more important is all the people she's reached out to in her life and whose life she's touched and the legacy that she leaves behind for her family. A legacy of her love for God, her family and her friends.

My thoughts and prayers are with you all!

Love,

“ Mother,

*This is the 2nd Day of the Year 2007; as I sit and watch President's Ford last ride, I can't help but reflect on my last ride with your Earthly Remains On 7 Dec 2006. Praise be to GOD that your journey ended on 30 Nov 06 and I can rejoice knowing, there were no more Stop Lights for you to wait at, No more Bumps in the road for you. No more pain, no more tears and no more fears. For in my heart your spirit was soaring high above with a New Body, A New Song and a Great Shout!! Your leaving though, has left a great void which I know time will gently close. The flesh will always love and miss you. Thanks for being the wonderful Mother that you were. I will always hold the things you taught me close to my heart. Some of those things; too Love God, Family, and self sacrifice were valuble lessons and I know only GOD could have given you the strengh to be so giving and endure all that you did. Mother in my eyes you may not have receive the rewards you deserved here on Earth, but I feel you have earned your wings, robe and crown and I pray GOD has said Well done my good and faithful Servant, ENTER..... Your Loving Daughter always, Margaret##imported-begin##Margaret R. Harris##imported-end##*
