“ Lenice you're such a beautiful young lady. You are going to be missed by so many. You were taken away from us, so soon, so sudden. We will never fully understand why. God needed his child, so he took you away. I will NEVER forget the memories that we've had together. I will cherish them forever. Going through middle school with you was the best! I will see you again, so this is not a goodbye, this is a see you later. I love you Lenice, and to the family, I'm praying for you all that God will help you through this tough time. She's with the best now.##imported-begin##Tanae Davis##imported-end##
