“ *Martha you were my sister my confidant. Not a second of the day that I don't think of you. I miss you so much.. I thank God for allowing me all the years that I shared with you. I will never forget you for your kind words you would share with me when I was out of the loop.. Quickly bringing me back to reality. I loved you but GOD needed you more.. How selfish of me wanting to have you here with me.. I know you are up there celebrating with Mom and Dad and our oldest brother Ollie..Make sure you tell them about there Grandson Terry. I know he was special to you also.. Remember what he told you.. You were one of the best Aunts anyone could have.. Also you were one of the best sisters anyone could have.. Still loving you and wishing you were here.*

*Much, Much Love,*

*Forever and Always*

*Your Sister,*

“ Wow, this has been really hard on me. Its so hard to believe you are gone. Granny, I think about you everyday and I miss you so much. I will forever cherish the fun moments we had together. Ever since I was a little girl, you have always been known as "Granny" to me. Always took good care of me like I was your one of your own and you were always there when I needed you. I just want to say I thank God for putting you in my life and I also want to thank you for being such a wonderful Granny. You touched my heart many times and in many ways and you've always been such a positive person that I could never ever forget.  
To my extended family, Auntie Ros, Uncles Keith and Kevin, and Cousin Jas, I just want you know that I love you guys so much and I've been praying for you all everyday. Just remember, Granny is smiling down on us right now. I know this is hard to deal with, but just know, weeping endures for a night, but joy comes in the morning. Once again, Love you all and stay strong!###imported-begin##Brittany###imported-end##

“ *It's hard to believe that you're really gone...  
I'll always remember our conversations,  
no longer hearing you encouraging me to be strong.  
I was so thankful for having you to talk to, comparing notes you  
understood.  
I'll cherish my special memories of you, a true unwavering friend.  
Goodbye, Martha, You're in God's hands and always in my heart.
