“ *I know this is 12 years late. However, Monica was a loving kind person. She was a very good friend of my cousin and was the property manager at the crystal court apartments. In which I rented an apartment many years ago. I would like to wish her family the best and her daughter Meagan well wishes for the future without her mother. May her soul rest in peace and in heaven with the Lord! 🙏*

“ *Oh my lovely big sister...I love and miss you ever so much. I find peace and comfort in knowing that you are present with the lord. It hurt me so much to see you in you last days suffer so and I couldn't just take it all away and make you all better. Yet I am so very happy that we had a chance to spend sometime together before your homegoing. You are forever in my heart and I LOVE YOU!!!!!!! Piece of pie. You are our angel and we will take care of your angel Megan. Pinky promise. Love you sis....lots of hugs and kisses*

“ *Evangelist Ethel you and your family have my heartfelt love and deepest sympathy. I truly can feel your pain and grief over your loss. For this journey, may you and your family find strength, comfort and peace beyond all human understanding from the word of God. It is at these times humans are at a lost for words....to the saints of God the word in our trials becomes so relevant, for it heals! For when we are weak our God upholds us with the right hand of His righteousness, and His precious word that we have hidden in our hearts we declare "I will look to the hills from whence cometh our help; for we know by His divine love, grace and mercy that all our help comes from the Lord". We celebrate and thank God for the years Monica dwelled with us in her body...but now her spirit is free no more tears, no more pain and suffering for to be absent from this body is to be present with the Lord Jesus...we are not ignorant of these things for in that day that the trump of God shall sound the dead in Christ shall rise, it is then we will see Monica again, Hallelujah to the Lamb of God! Bless Your whole family and may the Lord God continue to sustain and keep you during this time and forever in Jesus Name I pray!*

“ To: Evangelist Ethel Ray and Family,

We grieve and rejoice with you during this difficult time. You and your family will miss Monica, but she has entered God's eternal rest where there is no more pain or suffering. To absent from the body is to be present with the Lord. We can not fathom the joy that Monica is experiencing now.##imported-begin##Deacon Dorian Tyree##imported-end##
