“ *An Angel among us has gone up high,
Soaring with wings to the Heavenly sky,
Although our hearts are down and sad,
It's the beautiful memories of the times we had. Fret not for Keita,
her battle is done, she completed her journey and is now home with
our Father and Son.##imported-begin##Nita Kidd##imported-end##*

Natalie,

I was at for loss words when I heard of your passing. I am praying for the family and will continue to say a prayer for them to make it threw this very sad time.

You always spoke your mind. You would crack jokes on people while telling the truth; you were so silly. You always had a smile on your face and such a pleasant attitude about life...like a free spirit. You had such a beautiful personality which made you confident in being yourself. This made it so easy for people to like, even love you as a person. I know that your Mom is very proud of how she raised you and how you lived.

Sometimes in life we never have the strength to say everything that we should to those that we know and Love!

I never had the courage to tell you Thank you! Thank you for being my Sister's Best Friend! I wish I had told you before now, so that you could see how sincere I really am. You were there for her through the birth of her two children and the death of their father. You were the person that she would lean on in her time of need. Now that you are no longer here...I don't know how to comfort her,

how to do what you did for her. Say the right things to cheer her up and make her smile again. I am lost and wishing you were here to comfort her. Wishing it was someone else that could have taken your place. I wish that your mom and your Sister's, (especially Toot) were not hurting and having to go on with out you. Life will definitely never be the same without your smile.

Lot's of Love!

“ *Man where do i begin... "Ty" as i called her was a beautiful and joyful woman. I just dont believe your gone so soon. It seems just like yesterday you were over my house and she was trying to perform for the family. Man so many good times cut short but you will always have a place in my heart. "Ty" was my big sister from another mother and i truly cherished each and every moment when you was around. I would like to send my condolences to the family and "Ty" just know that you will be truly missed.*

“ *Natalie,
You always looked out for me from the day we first met. I will never forget you. I miss you and loved you very much. Rachel misses and loved you, too.
I have never laughed as much with anyone, as much as I did with you. I know you are in a better place now, and someday...I will see you again.
Love always,

“ I extend my deepest sympathies to the family as I too, am grieving. Natalie or "Tye" as I called her, was a beautiful spirit and I thank God that I had the opportunity to know her. I find comfort in knowing that she was always smiling and always enjoyed herself no matter what. I pray that the family will find comfort in knowing that she is an angel in God's arms now and watching over us all. God bless##imported-begin##Renita Wilks##imported-end##
