“ *Ottie & I worked together at Michigan Bell on Greenfield. Our group would go to Mings Palace Resturant once a month to shoot the breeze. We became good friends after that. Lost contact with each other but Ottie would call my home number just to see if it was still mine and we would get together all over again. I will miss her true friendship and love she had for me as a friend. To the family let the Holy Spirit be your guide and he will lead you with the protection of the angels in Gods plans for your life. Jesus is the truth, life and the way.*

“ I send those who knew Ottie love and support for we know where she is and we'll see her again...and to those who didn't know her she was a treasure and you probably got to see her during one of your TV shows being viewed in the last 2 months on a commerical for St John about cancer. The beautiful woman in gray reminding us cancer is scary. Gone but NEVER forgotten...I love you Ottie! Liz, Michael's Aunt##imported-begin##Elizabeth Davis##imported-end##
