“ Ms. Regina Merle Allen

“ To the Allen Family: Please accept my sincere condolences of the death of your loved one, Ms. Regina. Death at any age is an enemy because it separates us from our loved ones and leaves the family survivors with unspeakable hurt and pain. But, our Loving Creator has promised mankind that he will destroy death...forever (1Corinthians 15:26)! In the days and weeks ahead as you recall loving memories of Regina, take to heart that she is also in God's memory, and that very soon he will resurrect her to life, here on earth, in perfect peace, health and happiness (John 5:28,29, Psalm 37:10,11,29). May you be comforted by these Scriptural truths knowing that God has stated them and that He does not lie (Titus 1:2) He truly cares for you (1Peter 5:7). My deepest sympathy to you.##imported-begin##joyce jones##imported-end##

“ To those who see with loving eyes, life is beautiful. To those who speak with tender voices, life is peaceful. To those who help with gentle hands, life is full. And to those who care with compassionate hearts life is good beyond all measure. Brother Allen although it may be difficult to see right now, God used you to provide all of the above to Regina and now it is His turn. May the Lord continue to comfort you and your family during this time. ~ Love You ~ Rosalind##imported-begin##Rosalind D. Lee##imported-end##

“ Jeannie:
I will miss you playing jokes on people.
I can remember when we was up North, and you played a joke on us. We thought you was a lion hiding in the tall grass,because of your hair color and the noise that you made.
Love you

“ To my step daught Gene,
You have always been a good friend, always there when i needed you, when i was happy, crying, complaining about the kids; you would always say shutup and get on that corner and make that money(joke). Then we would start laughing, but im going to miss all the calls in the morning and miss you telling me "hey step mom, what u doing". i miss you already, i love you, but i know your in a happier place; your not having any pain. Love you Gene
