“ Joy I am sorry to hear about your daughter. No one knows why things like this happens! There are no words that would make you feel better right now. Her life was cut short and her son will grow up without his mother. God must have needed a beautiful angel and choose your daughter. Joy, you and your family are in my thoughts and prayer that will give you the strenght to get through this very difficult time. She will always be in your heart forever. Just remember when your heart hurts it is her giving you a big hug.##imported-begin##Susan Kimball-Basha##imported-end##
