“ *Niecy, I cannot imagine how you feel right now. You and Roze were so close. I always think of the time we all lived on Santa Rosa with Mother and Daddy Wood. You guys were more like my sisters than my cousins. When our parents were alive there was always time for family. I apologize to you and especially to Roze for not giving more of myself over the years, but I intend to change that. We cannot let the circle be broken. Even though you will miss Roze, know that she is in a better place. Know also that she is with a whole bunch of special people up there in heaven and all of the sorrows of the World touch her no more. One day we will all be together for eternity and enjoy each other once again. I love you and those beautiful kids that you have. I love the "LA-LA's too and will be just a phone call away. My home number is 313-412-2124 and my cell is 313-333-7245. I don't have much but what I do have I am willing to share, be it time, money or just a word of comfort.##imported-begin##Corliss Stewart##imported-end##*

“ *Dear Family, My thoughts and prayers are with you in this time of need. Roz was a beautiful person and most understanding. We spent many a day at work laughing and talking about our families. I have those memories of happier times to hold onto. Roz will certainly be missed by everyone.##imported-begin##Stephanie Davis##imported-end##*

“ *Neice,
Over the years I have been closer to you than Ros, but we are all family so I was very sorry to hear of her illness and extremely saddened by her passing. Rosalind has gone on to join Aunt Nora Lee and Uncle Bob, but please remember that you are not alone; you still have lots of family that love you and will always be here for you.
Laneisha & Latayla, try to be strong because that's what your mother would have wanted. Although your mother can never be replaced, you are lucky to have an aunt like Neice.
We would love to be there to support the family in person, but hope you understand that we can't. We will keep you all in our thoughts and prayers.
David and Nicole send their heartfelt sympathy also.
Continue to take care of each other and may God bless and strengthen you all.
Love,
Your cousin Ammie & Family###imported-begin###Ammie Washington Campbell###imported-end###*

“ I love my sister so much!! I am going to truly miss her. I understand that I have to keep my faith in the Lord and continue to allow Him to lead me to guide my beautiful nieces, Laneisha, Latalyia, Baby Morgan, and nephew Bruce along with my own three children Caron, Devarone, and Daronique.

I would also like to thank everyone that is praying for us, that provided financial assistance, offered a kind word, came to visit, called to speak with us or just thought of us during this difficult time. We are so thankful and we know that we are blessed to have so many family members and friends that love Roze and us. May God continue to bless each of you.

“ To: Anita, Caron, Min. Devey, Daranique, LaNisha, LaTalya, Bruce and little Morgan.

Bishop Paul Morton recorded a song entitled " If you Could see me now"

it says, My prayers have all been answered, I've finally arrived. The healing that was delayed, has now been realized. No one is in a hurry, no more schedules to keep. I'm enjoying Jesus just sitting at his feet. If you could only see me now.

Know that Rosalyn is at peace with the Lord. There is no more pain or hurt. She was loved by all and now she is in the care of the ultimate lover which is Jesus Christ. Know that your family the Williams and your church family, First New Life love you and we are praying for each and every one of you. Be encouraged. Bishop C.E. Williams (Pop) and Pastor J.F. “ Neicy, Neicy. -- Jackie Davis here, and I am so very-much broken hearted. Instant flashbacks of life on Colfax came to me...(Tony-the-Pony and simply hanging out at each other's house with pretty, long-long coarse-hair Rosalind and beautiful, sweet-sweet precious little Neicy, and me loving Nora oh-so much too.) -Even though your loved ones are no longer here, know that you are loved and cared for ALWAYS, by 'us' ... your extended "Colfax" family. I love you! And miss you too. ~Jacqi, 2433 W. Imperial Hwy #3, Inglewood, CA 90303 - 213-884-2946 or 310-338-7351.##imported-begin##Jacquelyn Davis##imported-end##

“ *Niecy and Family. My heartfelt sympathy to you, Rosalind's daughter and your entire family. I had no idea Ros was ill. Jacqi called me this morning from California. She had spoken to Danna. Please know that I love you, miss you and will keep you and your entire family in my prayers. I know you probably feel alone, but you're not. Niecy, if there's anything I can do for you, please let me know. At the very least, let me know how you are.*
