“ Ma, I can't imagine being without you in my life, my world has changed, but I wont give up,you use to tell me to let stuff go,but i would go on and on,you always protected me, literally protected me. even when I disapointed you,you were always nice to me in some type of way, you spoiled us, you made sure me and my sisters went to the best schools, you made sure I was surrounded by positive black women like Aunt Wanda and Michelle as a child, now I see, cause you wanted more for me.So when the cold reality of life's cruelty's suddenly hit me I'll encircle myself with the memory of your arms, mama words can't express how I feel right now all I know is you not suffering no more, so tell Kelly I said I love her too. your gone but never forgotten.So like u used to say, "LUV U " Your Daughter, Londa###imported-begin##Alonda Jjohnson###imported-end##

“ I will always love and miss Rosanna dearly. We were long time friends from way back in the day. The last time I saw her was a few years ago, We talked about old times and how much fun we use to have together and she had told me that she was living in Florida then. I heard of her passing only about two weeks ago, and it was strange because I was just looking at some old pictures that we had taken together. She will always be in my heart.

To Rosanna's Daughters, I pray that God will help you all during this time and To Rosanna's Sisters and Brother, I met Rosanna when we were in our teens and I still remember how her older Brother and sisters Loved and look out for her will being. You all will truly be blessed. I will keep you all in my prayers.

Sometimes It was all fun and games and at other times we went through pain and cried together, but through it all by the grace of God We Made it. Love you

Love you

“ *Roseanna could smile. She had the nicest smile and she had the laugh to go with it. I think she must have gotten it from her parents because all her siblings have the same smile. One's heart and mind can be shown by your smile. It is a hard thing to hide. We will all mmiss the smile and laugh which was one of Roseanna's signatures that she was, is and will always be among us.###imported-begin###Lois Johson###imported-end###*

“ Dear Aunt Roseanna, what a lovely flower, and precious angel. I am so thankful for all that you shared with me, our family, the community, and the world. To her precious daughters, Nicole, Alonda, and Tina, her grandchildren, her siblings, her nieces and nephews, cousins, and friends: please remember to look unto the hills from whence cometh our help (Psalms 121), for earth hath no sorrow that Heaven cannot heal. And in that Heaven a new Angel named Roseanna is walking around, and resting, and advocating on behalf of all whom she loved. Thank you Auntie. Love always,
