“ Maria, May God keep you and your family in His care in times like these.

I've known Mrs. Harding for a long time. She like sewing, so did I , she would give me her leftover material for quilt pieces. We attended church school together, and the things she would tell us how the Lord had brought her through some things she would never forget to thank Him for it.##imported-begin##Rosie Jones##imported-end##

“ Just some words from:
"Letters From God"

I have heard your cry! Your prayers have reached My ear I will not fail you! I will show you My ways. I will teach you the right path to take

Yes, I know, somethimes you go astray, but your heart is so tender towards Me and My ways that when I speak to you about it, you quickly yield yourself to pattern your life on the biblical standard that I have set before you.

Hear me and don't forget these words--there is nothing in this world that you and I cannot overcove together. Mark My words well, and share them with other people. I want everyone to know, "I will help you!"

Love, God

I love you Maria, Hope this brings you and your family comfort.
