“ It is with deep sympathy I write. Shea was precious in God's eyes, just as we all are. Even though I did not know her personally, the bible is the only place we can find true comfort during this difficult time. Death is something unnatural. In our DNA pattern, Jehovah God put the desire to live and never die. Ecclesiastes 3:11 “God has put eternity into man’s heart.” We will see Shea again. John 5:28-29 “all those in the memorial tombs WILL come out”. Jesus not only died for all of us, he suffered. Jesus loved us so much that he wanted to leave his heavenly home, knowing that blood needed to be poured out to save mankind, so we can live. Jesus did this for Shea too. Revelations 21-3-5; Isaiah 26:19.##imported-begin##Liz##imported-end##

“ Your beautiful smile, confident walk, and sassy image is what I loved about you and will miss. A strong black woman you were. And a strong black woman you leave behind to carry on your blessings. I love Shea, and miss you so much. I know you are truly in a better place. Watch over Toria, Jay, and your love ones, for I know they miss you the most.##imported-begin##Tomika Collins-Pierce##imported-end##
