“ *I never met Sherry, but as a City of Southfield employee, I know other employees who knew her. They only had good things to say about her. My thoughts are with the family as they have to cope with this very stressful and difficult time. Through prayer and supplication, they will be helped to endure.##imported-begin##Judy Johnson##imported-end##*

“ *Dear family of Sherry: My deep and heartfelt sympathy in her untimely passing. Her compassion and caring as both a boss and friend will forever stay in my heart. Sherry made our Birmingham Assessor Department a 'family'; how extremely fortunate and truly blessed we were to have her. I feel a better person for having her in my life, and will always treasure the laughter and special memories we shared. May her legacy of achievement, dignity and strength remain in your hearts as it will in ours. May God Bless and keep each of you strong.##imported-begin##Darlene St. Charles##imported-end##*

“ To The Family Of Sherry A. Lee,

There are no words to express how sorry I am today in the loss of Ms. Sherry A. Lee. She was one of the best professional, bosses that I have ever had the opportunity to work with. In the very short time that I worked with her, I learned so much about her as a woman of class, style, and with the utmost integrity. People such as she was only come in our lives few and far between. May your family find the strength and peace to take her living examples and continue to make this world a better place. Remember, that God will forever keep you in his loving care, and may you forever know that Sherry will continue to smile on you from the heavens.
