“ *What words are there to express the loss of someone so special? You're the oldest girl and me the youngest - yet we got along as if we were just a year or so apart. You've taught me some of life's most important lessons and helped mold me to be the person I am today. When I need a chuckle I can reflect on you because we both know you spoke your mind :-). I think you should know your kids are doing ok. You did a great job. Rest now my sister. You will be sorely missed.*

“ My heart felt condolences go out to Lorenzo, Jesse, Jessica and the entire Barber family. Lorenzo is one of my best friends, therefore, any loss of his, especially his mother, is a loss to me as well. I spent a lot of time around Ms. Barber, while Lorenzo and I were in high school together, because he would cut my hair at their house on a weekly basis. Throughout her health battles, Lorenzo would keep me abreast of her situation. I was so happy to see Ms. Barber at Lorenzo's wedding, because I hadn't seen her in some time. At that momentous occasion, she looked beautiful and very happy for her eldest son. I'm glad, that those will be my last and lasting memories of her. Ms. Barber was a mom, sister, aunt, and friend to many. Now, she doesn't feel any pain, thus, we know she's in a better place and looking down on all of you and us.###imported-begin###Christopher Morman###imported-end###
