“ *Please accept our deepest condolences and find strength in knowing that Tamakia lives in the hundreds of people she touched in her brief time with us. The Coleman's, Ramstein Germany*

“ *Tamakia was always smiling and laughing and happy when I worked with her on 2N preop B at Beaumont. She always had a way of turning my days into brighter ones. Although I didn't see her much lately she always had words for me when we did pass in the halls at work. And her son was precious to her. My thoughts and prayers are with all of you at this time.*
