“ Tangie, you were a Great friend. No matter what was going on, you always made sure to take the time to call and keep in touch. I remember we talked for hours and you would always keep me laughing. I never thought the conversation that we had a three weeks ago would be our last, but now you are FREE and gone home to Glory. I will miss you!!

My Condolences goes out to the family. I pray that the Lord will comfort and keep you all with his love and strength through this difficult time.

“ *I went to Kennedy Elementary School with Tangie. When I heard of her passing, I didn't want to believe it. Now that I have had time to absorb what has happened, I know that she is in a better place. Tangie was a true friend. I can remember during the summer before 6th grade, my parents decided to send me to a private school instead of Thompson Middle School. I remember telling her how upset I was that I would not be going to school with everyone else. She told me not to worry, and that she would fill me in on all of the things that would be going on :) I saw her about two years ago at the doctor's office. I didn't get a chance to talk to her that long before they called her in the back to one of the rooms. I didn't get a chance to exchange numbers with her so that we could keep in contact. I'm glad that I did get a chance to see her and talk to her. Tangie will never be forgotten. My condolences go out to Tangie's family. She may rest peacefully now.##imported-begin##Lisa Johnson##imported-end##*

“ Tangie you were my first best friend. I remember you used to call me all the time, after school. You loved to talk on the phone :-) I remember how we'd always hang out together at recess, and I could count on you being there for me when I was lonely and no one else wanted to play with me. I miss you girl, you will never be forgotten!!##imported-begin##April Moss##imported-end##
