“ *To the family, friends, and everyone Chay touched I just want to say that we are all truly blessed. Blessed to have memories, blessed to have felt her love, and blessed to have spent time with such a beautiful young woman. Chay loved so freely and she was had such a magnetic personality which much of my family had the privilege to passionately embrace. Whether we know it or not we are all family through one special Angel. God knew what he was doing as He had Chay touch all of our lives and bring us together. Thank You Heavenly Father. RIP Chay and keep your wings wrapped around us. For you will live on in the hearts of many. We miss you... Much Love Keda##imported-begin##Keda Heath##imported-end##*

“ Chay it just seem unreal that you are gone. Every time I go over to the house I keep expecting to her your voice or see your smile. Even though I my niece is not coming back,because your work down here is done. Realizing that tomorrow will be the first holiday without you it going to be rough for the family. However we are going to get through it knowing that you will be that shining star shining down on us at every event. To my family let keep Chay's memory alive by continuing to love each other, looking out for one antoher and most of all keep on believing in God.##imported-begin##Tasha Daniel##imported-end##
