“ *Sandra,  
I just want you to know that you are in my prayers and that Jesus keep his arms around you in this time in the passing of your daughter. Call on Jesus he will give you the strength to continue on in life. Remember the years that Jesus allow you to share with your daughter and that will give you a little comfort. There is nothing that I can say or do to change what has happen but know this that I will keep you in my prayers and I know what prayer can do. From me to you JESUS GOT YOU. Read Psalms 121 Sandra Jesus said to "Cast all your cares upon him because he careth for you". God bless you and keep you in his loving care.###imported-begin##Rev. “ My deepest sympathy goes out to the Streety family. Although, a piece of your family chain has been broken since Tiffany was taken from your life. God has prepared a special place for her in his kingdom. God will put his loving arms around the Streety family and give you all the strength to make it through the days ahead. I worked with Tiffany at Aditya Birla MINACS.

“ In the short time I got to know Tiffany, while we were in training together at Aditya Birla MINACS, I knew was I was getting to know a special kind of person. She was friendly, funny, engaging, witty and fun to be around. Her smile and personality made learning & working with her a joy.

She was never too busy to stop and say HI either rushing to our cubicles or during rushed break times.

Tiffany, you are now with all of those who love you and I know I'll see you again, someday.

“ To Tiff's mom: Our daughter's were friends and hung out, Tiff used to come over to my place all the time with them, they'd all be laughing and joking with me and tell me what was going on with them at A.G.B.U. Alex & Marie Manoogian school. Tiff always stood up for Keisha if anyone tried to bother her. I haven't seen Tiff in awhile but the hurt is there..she was taken too young...we love and miss her..may GOD give you and your family strength to deal with this tragedy##imported-begin##Rochelle McDowell##imported-end##

“ May God bless your family Tiff. I love you and you were a great person. You were loving and caring. LOL you were the first person who taught me that I should put my hand up on the ceiling of the car when I cross rail road tracks. Why we did that...I have NO clue still to this day, but I still do and now Ima do it in memory of you. May God bless your soul and as you sleep for now, we'll will miss you and your so loved miss lady. You do not know how much someone means to you until you loose them. Its crazy cuz I was just talking to you a few hours before our good Lord put his great hand out and called your name. Im so sorry I didnt talk to you as much after we stopped hanging out, talking to you just once a week wasnt enough. I love you Tiffany. I miss you Tiffany. I shall NOT question why your not here and I cant just call you right now because the Lord needed you more than I did. As I cry, I shed tears of joy because your in a much better place tho a few of my tears still roll down my face filled with pain and sorrow. R.I.Paradise Tiff cuz I know thats where you are. We were blessed to have you for the short amount of time we did. We will see you again one day, and oh what a day that will be. God bless your family and may He watch over them and protect them and numb their pain. They can get thru this. God will never give us anything we cant handle. I know your ok. I love you T-Rock.
