“ All I can say is WOW. Why did they have to take you too. We had a special bond being the oldest girls. That has always meant something special to me. I think I got it now, I know by now that God makes no mistakes. He had a better plan for you. He wanted you to be a part of his team. The winning team. So Smile, you look so much better when you smile. Tell Mama, Daddy and Monique I said hello. I love you Val. I always have and I always will.
