“ *Growing up with you was so much fun!*

I remember your 1970s style 4 inch white platform sandals, your blue/white eye shadow and your dangling hoop earrings.

I remember your summer sizzler outfits (the ones with today's version of boy shorts underneath).

I have vivid memories of you and food. I can still see you and your sister surrounded by bags and bags of White Castle burgers, fries and fish sandwiches.

Vanessa, you were the first person I ever saw eat a Burger King Whopper (they were giant back then).

Your homemade macaroni and cheese is legendary.

You let me read your Right On magazines and took me to see the Jackson 5 at the Olympia Stadium. After the concert, we waited in the parking lot hoping to catch a glimpse of the Jacksons.

We finally saw a limo and chased into the night believing our future husbands were inside.

Calling boys on the phone, playing records and dancing.

Growing up with you was so much fun!

Loving you forever,

*Your cousin Lynn##imported-begin##Lynn Morrow
