“ Peace be upon you all praise due to Allah, may Allah forgive him and give him better place in paradise. May Allah give you and family patience and accept your prayers for him , when a muslim is sick or have pain Allah clear his sins , by the grace of Allah many of family members converted to islam after him and this is a big effort, imagine the family's next generations of tens of muslims whom pray to Allah, all credit goes to Muhammad for all good things he did and give him mercy and forgiveness and accept him in paradise and make his grave a place part of paradise where he can see his place in paradise, this world is temporary and test for the believers , all my condolences for you and the entire family, Ahmad Aziz Khan, brother and one of many who benefits from the efforts of Of a lovely man and big brother Muhammad Yusuf Farrakhan ❤️🙏
