“ *Mrs. Mylie Visher*

“ *My prayers and deepest sympathy is extended to your entire family. I was sadden to hear of the passing of Mrs. Mylie Visher. I just found out while searching Pye's website for someone else. Our family knew the Visher's for a very long time. I remember when her sister Marie and husband Frank passed. Mrs. Visher kept in touch with us throughout the years after the passing of my mother. I got to know Mr. & Mrs. Visher through my parents. As a matter of fact, Mrs. Visher used to be my mother's beautician many, many years ago, when her and sister Marie owned the beauty shop at Joy Road and Prairie. The last long conversation I had with her was when she called me trying to get me to buy the house from one of her neighbors that was moving. She thought the house would be fitting for me because it was small. She was such a beautiful person with a warm heart. Keeping you all in prayer. Gwendolyn Finney-Criss and Family*

“ As aunt Mylie would say: this is my niece Senia Gadley that I raised as a little baby!!! Aunt Mylie was like a second mom to me in every way possible. It's so many memories that I have with her and uncle frank from the day I was born up until that final Sunday where I got to embrace her love, laughter and that final big last smile! Aunt Mylie was such a loving kind hearted warm person that once u met her u knew automatically you had a friend! How do u say goodbye to a person that has been in your life since birth for all of your birthdays graduations etc...??? 😭😭 i miss you so so much aunt mylie!!! I feel so lucky and privileged that I got a chance to have a special person like you in my life.. I love you aunt Mylie!! Your niece senia 😭❤️

“ I remember growing up I thought Aunt Mylie and Uncle Frank were the sharpest dressers ever! Some of my fondest memories was going to the hairdresser on Saturdays and talking to Aunt Mylie and laughing with her and Marie.
