Her Journey's Just Begun

*Don't think of her as gone away
Her Journey has just began
Life holds many facets
The Earth is only one
Just think of her as resting from the sorrows and the tears.
In a place of warmth and comfort
Where there are no days and years
Think how she must be wishing that we could know today
How nothing but our sadness can really pass away
And think of her as living In the hearts of those she touched
For nothing loved is ever lost- And she was loved so much.*
