“ *Auntie Myrna, it's been nearly 2 months since you left us and it seems like an eternity. I wanted to simply say that I miss you. I thank you for always loving me unconditionally, thank you for caring so much about so many. Thank you for being my mom's bestie for life. I miss your smile, your laughter and your sense of humor. I miss seeing you hop/skip when it was time to go. I know you are hopping and skipping with the Lord and all of my ancestors including Grandma Dorothy, Grandpa John and so many others...Love you! By the way, thanks for rolling down my window (I know that was you!)*

“ We would like to extend our deepest sympathy to the family. In just a little while all of the pain and sorrow that we feel from the death of our love ones, will cease and be replaced with joy, because the former things have passed away. Thinking of you all.
