“ To my dear cousins, Tameka, Burke and to Nan’s entire family. On behalf your Las Vegas family, you all have our sincere condolences for your precious loss. Nan was an amazing woman. She was loved by so many. And she’ll definitely be missed and remembered by the many who knew her. It was just so saddening to get the news. For the loss of a mother is so devastating, but, we can be thankful that that it’s not a final goodbye. She will always live in your hearts. All the love and concern that she gave to you. Her loving time and creativity was so touching. So I’ll leave you with this beautiful scripture which helped strengthen me during a similar time as this. And it states, “weeping may last for a night, but joy comes in the morning”.

And just as we know His anger is but a fleeting moment, we also know that His love and care is everlasting. So grieve as you will, and also be encouraged in His word. We love you.

“ Hello my cousins and family members. You have my condolences in the loss of Nan. I've known Nan for years going back to when I was a young girl growing up in Louisiana when she and her husband and my 1st cousin John would come home to Louisiana during the summers for family reunions. We all had so much fun. My fondest memory of Nan is when I first met her in Lake Providence, Louisiana when she was at her parents house I believe. John took me and Jackie to meet her and she had the most beautiful smile and hair. She was a beautiful sweet person. Each time I saw her down through the years she was so kind. I will miss seeing her and John so much. May God bless Burke and family, Tomeka, grandchildren, cousins and family members. “Blessed are those who mourn for they shall be comforted”. Matthew 5:4.
I love you guys and praying for peace. From your cousin Eva and Jimmie in Inglewood, CA
