“ *Mother Cash always shared the warmest smile and the most kindest words. She always had elegance, class an grace. She was a God loving, God fearing woman who loved going to church. She was very inspirational in every way. She loved going on vacation, she was not a home body. I always said I want to be like MOTHER cash because she was not sitting down, she truly lived her life n fullness. I thank God that he allowed Mother to cross my path in this lifetime and I pray that I continue to live my life to see mother in the next lifetime. Cash family be blessed and encouraged, she left a legacy of how life should be lived and loved, take time to study how she did it and pattern it for happiness. May God bless each of you in all your endeavors.*
