“ *Nate was like family. He worked with my father for many years at Chrysler. He was much younger than my dad, so he was like a big brother. He treated my parents like they were his own. He spent many holidays with us and was a great guy. He would give you the shirt off his back, and we loved his laugh. He will be missed, but we have been blessed having him in our lives since the early 70's. RIP Nate - The Rooks Family.* ”
