“ *I am so sorry to hear about Nedra. I just found out today. I called and left her a voice mail on January 4th to tell her and Rick of my mother's passing (Betty Willett) on January 3rd, but I never heard back. Rick and Nedra were neighbors, and they were like family. It breaks my heart to hear such sad news. She was such a beautiful soul. My condolences to her family. I'm sure Nedra and my Mom are in heaven together talking up a storm.*

“ I will never forget Nedra she was and always will be my beautiful sister in Christ. I'll never forget the first day I met Nedra she was walking down the hallway with her husband and we just walked up and hugged each other and said hey girl how you been, as if we had known each other for years. Her husband said you two know each other? we both laughed and simultaneously said no we've never met. Nedra just smiled and said this is my sister in Christ I would know her anywhere.

Nedra was my inspiration to do community outreach. She taught me how to put together community health fairs and educating people in the community about different resources.

I'm still doing community outreach.

Nedra I know your sitting in heaven thanking God for the opportunity to be his servant and now your a guardian angel for your family.

I love and miss you Nedra 🙏🌹💕🙏

“*The angels are always near to those who are grieving, to whisper to them that their loved ones are safe in the hand of God.*” Quoted in *The Angel' Little Instruction Book* by Eileen Elias Freeman, 1994.

*May all of Nedra's Loved ones find comfort in the warm memories of her and in the fact that she obviously Loved the Lord. Peace be will you and God bless you all.*
