*Dear God Mother,
I miss you so much. I will never forget your deposits in my life. Just as granddad deposited in you, you shared with us. You will always be a Snowite. Rest in Peace! You have gotten your wings. All is well! :-)*

Momma, you will never know how much I will miss you cause you are gone. I wish, I could hug you and kiss you and tell you all the matters of my heart. I would you could just instruct me one more time. I wish, I could hear your voice once more to say you love me and things would be okay. Momma, this is one of the hardest things in life for me is telling you good bye. I will try and be who and what you have instilled in me, which is the love of God. I will try not to taint your memory and remember the beliefs and moral you gave. I will remember that it is holiness or hell. I will try and live like you have taught me. You are so missed on this day and everyday to come.
