“ *We are deeply saddened by the loss your family as encountered. May the support of family and friends be a source of strength and the God of Comfort a refuge in your time of sorrow. Michael, may your console you and may God sustain you with his precious promise to someday soon reunite us with our love ones. Thinking of you.*

“ *Nico you were one of the most warm hearted outgoing friendly students of mine. You had such a compassionate soul and you touched so many of the lives of the students you worked with. You taught me so much and I was so proud of you and all the Birger Buddies. I am so sorry we never got a chance to reconnect but know that your memory will live forever. I never stopped bragging about the amazing four and I never will. Blessing on your journey. I know you have found peace.*

“ *You were one of the kindest and purest hearted people I have ever known. You made an impact in my life and many others. I love you, you will be missed and never forgotten.*

“ Nico... I've missed the joy and energy you brought when we were my coworker. Even more I miss telling you better get where you need to be. While having me crack up and making my day a little less lengthy. I pushed you because you had goals to make and I loved that in you. Now that you're gone, I wish I could have had just one more moment of your time. Praying for your family and friends as I know the pain is unbearable. Shine your light into their hearts and shadow their dreams to push them further to their goals. I salute you soldier.
