“ *I am truly sorry for your loss. The Bible reports eight instances of humans young, old, male, and female who were brought back to life on earth. Some had been dead for a short while, but one had been in a tomb for days! _'John 11: 39 _44*

“ *To my little sister... your smile could light up a room. Your hugs were always warm and comforting. To know you was to love you. Take your rest and enjoy your heavenly home. I love you and will miss you! Love Tacarra*

“ Phillipians 4:4 says "Rejoice in the Lord always, and again I say Rejoice! One of the best memories that I have to share about Nicole is that she was always full of joy! Nicole spent a lot of time at my house growing up so one day she was with me and my girls and the girls got into an argument with each other. Nicole thought that it was so funny and she just laughed and laughed at them fussing with each other. She laughed so hard at them that they stopped arguing and joined Nicole in her laughter and we all laughed until we cried! One of those Nikki moments that I will always remember. Nicole, you are truly unforgettable and Auntie Jenni will always love you no matter what! I know that you are smiling down right now and God is watching over you. To my sister Myra and brother-in-law Greg, Jon, Greg Jr. there are no words that can express, no tears that can flow long enough to let you know that I will miss Nicole and all that she has meant to our family. There were many teachable moments Nicole shared and even though she is not here anymore she will never be forgotten. God gave her to us for a little while and it gives me great comfort to know that one day Lord willing I will see her again in heaven! Job well done! Love you much, your sister Jennifer (Eric)
