“ Noble, I am struggling to find the right words my friend. Although I hadn't seen you in a while, I'll never forget a good friend. I remember meeting you at "Sunrise "the neighborhood store and thinking to myself that you were "different " from the other guys. Always a respectful, stand up guy that worked as hard as you played. Thank you for blessing me with your presence and introducing me to your wonderful family. I will miss you dearly but you will forever remain in my heart. Until we meet again Boss, now you can rest easy. Love you forever
Your friend,
Yolanda Browning and Family
