“ One thing for sure two things for certain Obbie Oliver was my best friend! My confidant. My sound board. My therapist. My brother. My father. My hubby. But most of all he was my rock! For as many times as my friend drove me nuts he also showered me with love with respect and with honor! I love you and will never ever forget you! Nor forget all we did for each other! Thank you for always being there when I needed you most! الله يرحمك و ينور قبرك RIP my friend 🙏❤️🙏 And god willing we will see each other again ❤️ Sincerely your eternal friend and sister, Linda aka jazz aka 'wifey'
