“ My heart goes out to the family of this young man, his girlfriend and child. I have been praying for all of you since hearing of the shooting incident weeks ago.

As the daughter of a retired (Warren) police officer and my brother-in-law retired from Clinton Township, I can only imagine the pain from your loss. I will continue to keep all of you in prayer with this tragic and unexplainable loss. Know that you are ALL loved and thought of often by many. RIP Office Doss. You will be missed by many and many who never even had the pleasure of meeting you in this life. God bless.

Turn Again To Life

*If I should die and leave you here a while,
be not like others sore undone,
who keep long vigil by the silent dust.
For my sake turn again to life and smile,
nerving thy heart and trembling hand to do
something to comfort other hearts than thine.
Complete these dear unfinished tasks of mine
and I perchance may therein comfort you.*

“ Words cannot express the sadness felt when my daughter told me of this tragedy. I did not have the privilege of knowing Officer Doss personally but through my daughter (a fellow DPD officer and academy graduate a month after Officer Doss) I learned what a very special and strong person she had the honor of knowing. I believe being a police officer is a true calling from God and there is no other more honorable profession. Officer Doss heard and answered that calling and I'm just so very sorry that his EOW came way to soon. Officer Doss, the Hero and Child of God, will live on in our hearts and he will always be an example to others of what kind of human beings we are supposed to be. We are praying for the family members and all that are affected by this terrible tragedy. May the God of Peace and the Peace of God be with you all.
