“ *Jane and Family,
Another soldier of the Lazenby/Ivey/Reese family has answered the call and joined God's Army. We called him "Boot" and recall many memories of our time growing up together. Although we cannot be there to share in the home-going celebration, we pray that God will give you comfort now and in the days ahead.*

“ They say it takes a village to raise a child. I'm elated that Mr. & Mrs. Rogers were a part of mine. My husband and myself are so very thankful to have had the wisdom, love, and kindness shown by the two of them towards us and our children. They have watched my kids grow for some 12 years and my daughter says that Mr. Rogers was her special friend as she would frequently ride her bike down the street to go visit him. Always giving a kind word and dropping knowledge which left an impression in all of our hearts that will last forever. Heaven has gained one of it's most precious angels and I know he is resting peacefully in the masters care. Our thoughts, prayers, and deepest condolences to Mrs. Rogers and the family.

Love Always,
Tim, Shenelle, Timia, Keyon, and Demari

“ Words cannot express how much Mr. Rogers will be missed. They say it takes a village to raise a child and myself and husband have been truly Blessed to have had Mr. and Mrs. Rogers be a part of ours. My children have been blessed with their presence and loving kindness for some 12 years from the daycare at Victory to them staying down the street and looking after them as they played and rode bikes. A special relationship was formed with my daughter Timia (8) and Mr. Rogers as she would often ride down there just to see Mr. Rogers. My husband and I often stopped just so we could get some quick knowledge and insight from Mr. Rogers. People like the Rogers are rare jewels to be cherished and always remembered. Mrs. Rogers you are always in my thoughts and prayers. Mr. Rogers will forever remain in our hearts. Heaven has gained one of the most kind angels!
Love Always,
Mr. Timothy and Shenelle Freeman
