“ *Mr. Oliver, I mean, he just loved. We came from opposite sides of the D metro area, but he schooled me and treated me like family.*

I don't know anyone who I could just straight up talk to like Oliver.

Miss you man.

“ I’m so devastated by this news. Oliver and I worked briefly at the V.A. Both being from Detroit and living in Canton, we soon realized our sons knew each other in high school. Oliver was such a cool guy and I’m glad we looked out for each other. You will be missed. May God be a source of strength as your family goes through this grief. Until we meet again.
